

# VOLUNTEER ENERGY COOPERATIVE AUTOPAY PROGRAM

Volunteer Energy Cooperative (VEC) offers its customers the opportunity to pay their electric bills automatically by signing up on our Autopay program. This is a free program.

Customers will receive their bill each month as usual; however, it will indicate "Paid By Bank Draft" or "Paid by Credit Card" on the bill and will be deducted from the checking account or card two (2) days before the due date. Customers may withdraw from the program at any time. Volunteer Energy reserves the right to terminate the agreement if the customer's financial institution fails to honor the authorized drafts.

Please fill out the form and return it to your local VEC Office or mail to VEC, PO Box 277, Decatur, TN 37322. For more information call your local office.
