

## **Applying for a VECustomers Share Grant** **Information to Help You in Completing Your Grant Application**

1. The VECustomers Share program is intended to support projects that benefit communities in the Volunteer Energy Cooperative service area. This program does not fund: 1) candidates for political office or any political purpose; 2) payment of electric bills or charges; 3) governmental schools or schools receiving public funds; 4) religious organizations; 5) cemetery associations/upkeep; 6) salaries; or 7) animal control/benefits. The program, however, may fund projects specific to separate organizations from schools or religious organizations (PTOs or church youth groups that are open to the public, for example), if the VECustomers Share board deems that the benefit of the project will be felt community-wide.
2. VECustomers Share grants submitted by individuals will not be funded. Special needs for an individual may be considered if the grant is submitted by a qualifying organization. For example, if an individual's house burned, a community organization (civic club, etc.) could apply for a grant to assist the individual.
3. To ensure the best opportunity at having a grant funded:
  - Complete the applications fully and clearly. Incomplete applications will not be considered.
  - List all other primary funding sources for the project. The VECustomers Share grants are designed to assist projects as a source of *supplemental* funding.
  - Include a detailed description of intended use of the funds.
  - If additional information is provided, attach **no more than 5 pages of information to the application**.
4. Grants are reviewed on a case-by-case basis. Applications may, at the discretion of the VECustomers Share board, be either fully funded, partially funded, declined, or the organization may be asked to resubmit, providing additional information.
5. VECustomers Share grants are reviewed by an independent board, made up of non-paid volunteers from VEC service areas. Neither members of the Volunteer Energy Cooperative Board of Directors nor employees of VEC serve on this board.
6. The VECustomers Share Board of Directors meets regularly based on the number of applications received (usually once a month, but no less than quarterly) to consider grant funding. Grant applications must be received at the VEC Corporate Office in Decatur not later than the last working day of the month to be considered at the next month's VECustomers Share Board meeting. All applicants will be sent a letter notifying them of the status of their funding within a few days after the board meeting. All grant awards are subject to annual audits that require documentation that funds received by the organization were spent for the approved purpose.
7. Grant applications must be received at the VEC Corporate Office in Decatur not later than the last working day of the month to be considered at the next month's VECustomers Share Board meeting.
